

Lesson Fees

- You are signing up for a specific time slot in 9 week sessions (Session 6 is 7 weeks) (see dates below)
- You are paying for 8 lessons in each 9 week session. (6 lessons in the 7 week session)
- If you come to the first 8(6) lessons in your session, You may either skip the ninth (seventh) week or pay for an additional lesson at the same cost as you paid for the session (\$40 for full payment, \$45 for two pay or \$50 for by the lesson).
- If you cancel one lesson per session you may make it up at your regular time during the ninth (seventh) week of THAT session. Please try to be courteous and still let your instructor know as soon as possible if you will be missing a lesson.
- If you cancel 2 or more lessons during a session, there will be no additional make ups and no refunds.
- If your lesson is cancelled by a Kelviden Farm instructor (weather, instructor unavailability, holidays etc.), you may make it up at your regular time during the ninth (seventh) week of THAT session. If you are already making up a lesson during that week, we will attempt to find you an additional make up time, but if we can't find one, you will be credited for the next session. You may either deduct the cost of these credited lessons from the fee for the next session, or bank them and take additional lessons during the next session. A refund is available only if you are not returning for the next session.
